Three Falls Elementary
Computer Science Club Application
DUE DATE: February 12, 2020
For Students in 3rd, 4th or 5th grades
Please turn application, with all attachments stapled, into the office

Name _____________________________ Grade_____
Teacher __________________________________

Please complete the following steps: Each part of the application process has a value.
Students will be chosen based on the point system below:

<table>
<thead>
<tr>
<th>Application Step</th>
<th>Value</th>
<th>Criteria</th>
</tr>
</thead>
<tbody>
<tr>
<td>Application</td>
<td>15 points</td>
<td>Full points if turned in on time and completely filled out. Will not accept any late applications. Minus 5 if application is not complete. You must initial all of the student agreement statements, parent agreement statements and have all signatures.</td>
</tr>
<tr>
<td>Reference Letter</td>
<td>20 points</td>
<td>Full points if turned in on time. Get a reference letter from an adult other than a family member. This can be a letter from a coach, church leader, community member etc.</td>
</tr>
<tr>
<td>Teacher Referrals</td>
<td>30 points</td>
<td>This year’s teacher and last year’s teacher will be sent a form to complete. We will send this form to them. You do not need to do anything. This will be confidential and will not be shared with the parent or student. Students will be rated on: Being a team player, Responsibility, Attendance, Growth Mindset (Motivation), Behavior</td>
</tr>
<tr>
<td>Essay</td>
<td>30 points</td>
<td>Write or type a ½ – 1 page essay. In this essay, tell us why you would like to be part of this club. Points will be given if you give at least 3 reasons why you should be in the club and 3 reasons or examples of why/how you are a good team player. Also write about any experiences you have in this field or anything you know about it. This is a persuasive paper to get us to choose you. So persuade us! This paper should be written by the student. We know they won’t be perfect but we want the students to have this experience.</td>
</tr>
<tr>
<td>Student Picture</td>
<td>5 points</td>
<td>Attach a picture of yourself to this application. It can be a color or a black and white copy of a picture.</td>
</tr>
</tbody>
</table>
