

Volunteer

We love volunteers! Thank you for considering helping us make the most out of your child's school day. There are many ways to volunteer, whether it's with our parent/teacher organization or spending a few hours reading with students or stopping in to make copies, every little act of service makes a huge difference in our teachers' and students' lives.

To make it possible for great people like you to help, volunteers are required to watch a short training video and fill out a brief form. You can find these at the bottom of this page. These must be completed for any kind of volunteering; i.e. field trips, class parties, reading help, etc. Thanks for helping keep the kids safe and able to learn! We're so excited to have you in our school!

PTVO

We're the parent/teacher volunteer organization and we need all the hands and ideas we can get! Below you'll find a link to the different activities you can sign up to help with! We meet the last Friday of every month at 11:00 AM in the library, to help each other plan ways to make the school year great for our kids!

You can also visit our Facebook page and Instagram account to see what we're up to! See you soon!
